MK MaryLou K Verified Buyer 25 oz DYLN BOTTLE
I love this 25 oz. size and the Crimson color is better than the picture on the website. I have a 2l oz. which I retired because the 25 oz holds more alkaline H2O. Great for the gym and my car commutes.

US 9,430,131: Claims 18

18. A computer-implemented method for presenting information, comprising:

obtaining a plurality of electronic objects comprising multiple files or file folders or directories in a computer file system, multiple contacts in a contact list or address book;

identifying an attribute or attribute value associated with a subset of objects in the plurality of electronic objects,

wherein the attribute includes a piece of metadata including the number of times the subset of objects are accessed within a given period of time, or an attribute obtained from the content of the subset of objects, including a specific word or phrase contained in the subset of objects, or a class membership of the subset of objects, or a specific semantic attribute associated with a word or phrase contained in the subset of objects;

displaying a name or description representing the attribute or attribute value in a user interface,

grouping the subset of objects into a group, or labeling the subset of objects with a label based on the attribute or attribute value;

providing an option for the group or label to be associated with an importance value specified by a user;

receiving the importance value specified by a user.

US 9,430,131: Claims 18

18. A computer-implemented method for presenting information, comprising:

For Example: Dyln web site has a [product review section](#) that allows customers to filter reviews from high, meaning the positive 5-star (5*) to low, meaning, negative 1-star (1*) reviews.

25 oz DYLN BOTTLE

I love this 25 oz. size and the Crimson color is better than the picture on the website. I have a 21 oz. which I retired because the 25 oz

US 9,430,131: Claims 18

obtaining a plurality of electronic objects comprising multiple files or file folders or directories in a computer file system, multiple contacts in a contact list or address book;

For Example: The customer clicks on the reviews on Dyln web site and **multiple electronic objects can be obtained comprising review files. Using Dyln's website, a user can click on a review section, for example, "5*, 4*,3*,2*,1*". These are associated with Star ratings, for example, as can be seen below, 5*, is associated with 5 stars "*****", meaning positive reviews. A user can select a first semantic attribute, for example, "5*" meaning 5-Star ***** reviews, or positive reviews.**
